JINHUA OTMAR

17+ years in R&D experience

About US

Jinhua Otmar Technology Co., LTD

Jinhua Otmar Technology Co., LTD is a professional electric bicycle manufacturer in Jinhua City, Zhejiang Province, China. Our primary business is the production of electric bikes, electric trikes, and compatible e-bike trailers.

We have more than ten years of export experience and right now our products are being imported to about 48 other countries including the USA, Canada, and Europe, just to name a few. Meanwhile have more than 17 years in R&D experience and we're always trying to be at least a step ahead of the competition while always looking for new ways to improve our products.

Before we ship anything to you it goes through a meticulous rigorous testing process. After that the product is given our stamp of approval and then subsequently shipped to you.

At Otmar Company, we care about customers and will always strive to meet your expectations by providing you with an exceptional service for the finest E-bikes in the industry at the most reasonable prices.

So if you're searching for someone who has some great e-bikes that are designed by brilliant engineers and are produced by a dependable manufacturer you just found one. IT'S US!

We are waiting for your orders right now.

WE WAIT YOUR REPLY.
